## KINDERGARTEN ENGEL ALBERT

Engel kindergartens are private kindergartens and has been operating in Southern Helsinki already since 1993. Sense of community, positive attitude to life together with good interaction skills are the core and heart of Engel.

In everyday life, Engel practice and emphasize on good manners, interaction skills, respecting others through joy.

Engel kindergarten provides also preschool education.

During the daycare time children have the opportunity to participate in music collaboration with Central Helsinki Music Institute and dance classes collaboration with Helsinki Dance Institute. These extracurricular activities are taught in English.

Lunch in Engel Albert is mostly organic.
